

“ For I am **not ashamed** of the **gospel of Christ**: for it is the **power of God unto salvation** to every one that believeth; **to the Jew first**, and also to the Greek.”
- Romans 1:16

LONDON, ENGLAND

One of Europe's world class cities, London is a bustling, cosmopolitan metropolis of 15 million people. It is rich in history and British culture and boasts magnificent sights and gardens. The vast majority of Jewish people in Britain live in London. While there has been antisemitism in British history, it was noticeably less than on the European Continent, and there has been considerable support for Israel. About 30% of the Jewish population is secular, unaffiliated with Judaism. IBJM is praying for missionaries to go to this needy Jewish mission field. Could God be calling you?

EVANGELISTIC OUTREACH

SHARING THE GOOD NEWS OF THE GOSPEL

Next Spring, you will have the opportunity to share the gospel of Jesus the Messiah with Jewish and Gentile people in the United Kingdom, a historical land of castles and monarchs, one with a long and storied history. It is also home to several large Jewish populations, notably in London and Manchester, England as well as Glasgow, Scotland.

As part of our team, you will get a taste of life in the British capital city where approximately 200,000 Jewish people can be found in several different neighborhoods.

The British people have become increasingly secular and less interested in religion, especially in the truths of the Word of God. As you share your testimony, distribute literature, and work with a local church, you will have many openings to sow gospel seed and have an impact on the lives of many people who now believe they have no need of God. You can make a difference!
